

Workshop on Forests and Water

Antalya, Turkey, 12-14 May

Day 2

Questions for Break-out groups

Topic 1. How to improve the coordination of policies on forests and water

Questions:

1. "What are the benefits of cooperation between the forest and water sector?"
2. "What are the obstacles that hinder cooperation between the two sectors?"
3. "What are the solutions for additional cooperation between the two sectors?"

Topic 2. Exploring the financial basis for water related forest services, with a focus on payments for ecosystem services

Question:

- "Do you have national experiences on mechanisms, incentives or agreements to promote forest management for water?"
